The community college is a two-year school established in 1964. It offers professional and technical classes, a public safety department (police academy), a nursing program (RN and LPN) and courses in agricultural and construction technology. There are also satellite instructional sites in downtown Eureka, Crescent City, Garberville, Klamath/Trinity at Hoopa and Ft. Bragg, Mendocino.

Its library is open to the public, including its computers. Parking permits during the weekdays can be obtained from 8-5 at the Security Booth on the southern entrance parking lot, off Tompkins Hill Rd.

There is a nature trail in a demonstration forest area and ongoing cultural and sports events throughout the school year.

The university was founded in 1913 as a teachers' college and was called Humboldt Normal School. It received University status in 1972. Its enrollment averages around 8000-8800 students.

Studies at HSU include liberal arts, environmental education, nursing, forestry and marine studies. There are no Doctoral Programs.

The biology science department has a greenhouse, and there are events arranged by the music department throughout the school year. See the web address for the music department calendar of events.

The marine laboratory is located at Trinidad.

Parking permits are required during the week and may be obtained at the Parking Information Booth on Harpst Street off L.K. Wood Blvd. There are self-serve dispensers on Harpst Street or the library for one-day permits. There is limited coin-metered parking on B Street, Harpst Street and Rossow Street. Weekends are free.

Under Things To Do: See HSU Natural History Museum and the HSU Telonicher Marine Lab.
